

Add free Ratings and Reviews to your website

Need a quick and simple way improve customer engagement online and get valuable fresh new content on your web site? Simply add the new FREE Ratings and Reviews service from MiQuando.com.

The fantastic FREE new service gives any business (small or large) a complete Online Reputation Service that quickly and easily plugs in any web page, and lets you immediately start generating valuable Online Word of Mouth (WOM) marketing.

Features Include:-

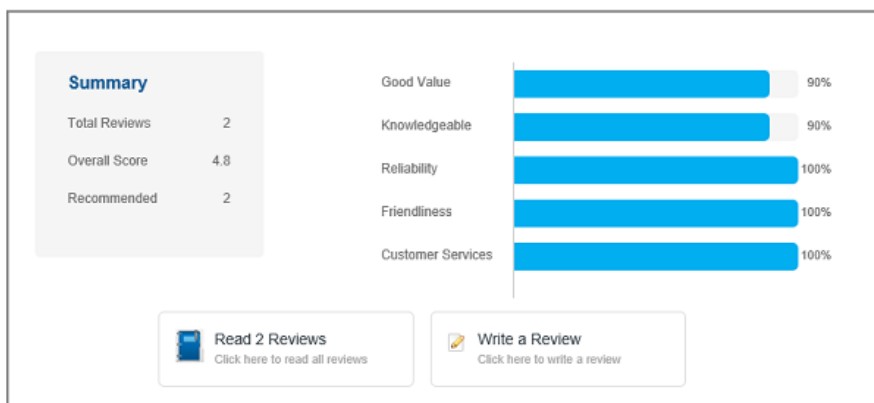

- 5 Star Ratings
- Customer Feedback and Comments
- Business Replies/Responses
- Recommendations
- Report & Remove inappropriate content

All that is required is a profile on Britain's most innovative local business directory ([Sign in / Create Profile](#)) and from your Dashboard use the menus to navigate to "Link to my Reviews" as shown below.

This will take to your Ratings and Reviews summary where you will see the HTML code we have provided that you can use add our free Reputation Service to your own web site.

Here's an example of what we provide for your web page.

The Ratings and Reviews summary page is shown below.
