## **PRESS RELEASE**

### **MIQUANDO AND SALT JOIN FORCES TO SUPPORT MANX CANCER HELP CAMPAIGN**

Online business directory MiQuando and Salt Bar & Kitchen have joined forces to support Manx Cancer Help's Mann Up for November fundraising campaign.

Throughout November, Salt and MiQuando will donate £1 each to the charity for every noodle or rice lunchtime special booked online via MiQuando.com.

The money will go towards supporting Manx Cancer Help's work in the Isle of Man. Established in 1983, the charity provides specialist psychological therapies for people with cancer and their loved ones. It offers a series of free, confidential sessions, both face-to-face and over the phone, to anyone affected by cancer.

Next month it is running the Mann Up for November campaign to encourage men to grow their facial hair to raise funds through sponsorship, as well as to raise awareness of cancers affecting men.

Dawn Herbert, manager at Salt Bar & Kitchen, said: 'Manx Cancer Help is doing important work in the Island, and we were keen to support the November campaign. We decided this was the best way to help raise money, donating £1 for every lunchtime rice or noodle special booked online through MiQuando.'

'We discussed the idea with the guys at MiQuando and they were quick to lend their support and match our donations pound-for-pound.'

'Hopefully lots of people will get involved, especially as using MiQuando makes booking really simple. You just visit the site, choose your date and time and make the booking, it's easy. It's also really convenient because customers can book whenever it is convenient for them, day or night, not just when we are open.'

Nigel Jones from MiQuando added: 'We've been providing online booking services for Salt for some time now, and have supported previous charity events, so we were really pleased to get involved with this campaign.'

'With more and more people are turning to online booking, as it is so quick and convenient, we think this will be a great way of raising money for Manx Cancer Help, which does such tremendous work in the Island. I'm sure Mann Up for November will be a huge success.'

'Everyone here at MiQuando is delighted to be working with Salt to help raise vital funds to support the charity's efforts.'

Salt Bar & Kitchen is open for lunch between midday and 2.30pm each weekday. To make your booking, visit XXXXXXXX
